During this time, along with news about the newly enthroned Emperor and Empress there have been many programs about Their Majesties the Emperor Emeritus and Empress Emerita. On the Japanese government internet TV, wishing for the development of the country and the happiness of the people, they made a one hour program about the public and private activities of the Emperor Emeritus and Empress Emerita from the beginning of 2018 to the end of 2018.

The title of the program is “A year in the lives of the Emperor and Empress: towards the abdication of the throne”.
